# ALPHA

“Every week it got better.  
Small group was the best  
part of the course.”

“This is the first time that I’ve been to  
a course at this church and I have to  
say I’ve never felt more relaxed and  
welcome than I have at this course.”

“..I have made great friends which I feel  
will last for years. I was not pressured  
at all. This is a great class.”

“My husband and I talk more  
openly about religion since we  
took the course.”

what is the  
meaning of life?

what happens  
when we die?

what does Jesus  
mean today?

how do we deal  
with guilt?  
(really bad guilt!)

Each session  
begins with dinner,  
followed by teaching  
& small group discussion.
