Welcome to MEN @ LCBC. We provide a challenging environment, connecting men to God, LCBC, and other men. We encourage men to live authentically within their families, work, church, and community.

**AN AUTHENTIC MAN** IS DEFINED AS REJECTING PASSIVITY, ACCEPTING RESPONSIBILITY, LEADING COURAGEOUSLY, AND EXPECTING GOD'S REWARD.

MEN'S FRATERNITY is our primary environment for adult men of all ages. Since 2005, over 6,000 men have joined this 24-week experience which runs from September through March. This journey enables a man to understand his masculine identity and make the pursuit of true manhood a lifelong priority.

Adventure U is designed to challenge men to face and conquer their fears, increasing their understanding of themselves, God, and other men. Events include rappelling, whitewater rafting, backpacking, survival camping, geocaching, and paintball.
