

WELCOME

LCBC

one church • multiple locations

1 **GATHER** Loving God

WEEKLY worship jump starts everything else. We gather to worship and recognize God for who He is. We gather to say THANKS & bring people to where they can meet Jesus in a way that's exciting and REAL—in a language everyone can understand.

2 **CONNECT** doin' LIFE together

God didn't create us to do life alone! LIFE Groups are a place where you can build meaningful relationships. Connect with God and each other—share your ups and downs, meet each others needs—and serve your community with friends!

3 **SERVE** Inside/Outside

Serving God isn't (and shouldn't be) a chore. Finding what you're good at and doing it regularly is one of the greatest thrills in life. Knowing that you're exactly where you should be and loving where you are; it's part of becoming a Christian grown-up. Serve here to build LCBC community. Serve outside to influence the communities in which you live.

MAKING FULLY-DEVOTED FOLLOWERS OF JESUS OUT OF UNCONNECTED SEEKERS

A long, long time ago (1986 to be exact) 35 people started meeting in a garage. They had a dream to create a new kind of church—one that would attract people who were unchurched. This church would be exciting and culturally-relevant. A church people wanted to bring their friends to. The idea took off. In the last 20 years, the church has grown to three locations with more than 10,000 (and still growing).
