NO EASY ANSWERS - "Is God in Your Future?"  
Keith Walker

Is the future determined or is it **dynamic**?  
Can we be part of **creating** the future (ours or others)?

*If I were a powerful, caring god I would...*

- \*If God has the **power** then He must not care
- \*If God **cares** then He must not have the power

- \*What if God has the power and cares AND does what is **best** and **right**

*To understand God and the impact of our connection with Him...*

**2 Kings 20:1-11**

- \*God desires a relationship with us, but **not as equals**

**Genesis 18:16-33**

- \*God desires to answer our prayers, but the answer is **Him**

**Mark 5:24-34**
