

Sermon Notes

November 29, 2009
REMEMBER WHEN...
Keith Walker

Memories weave stories into life as it unfolds

There are stories . . .

- from the past can bring clarity to the present
Genesis 29:13&14
- that are designed to reveal truth
Luke 15:1-7
- that God created which bring comfort and promise
- when shared often give "birth" to new stories
Luke 24:35

Telling stories turn memories into relationships
