

ADVENTURE CARD: PRESCHOOLERS

God's faithfulness doesn't show up in one dramatic moment. It's found in the everyday, consistent hard work of giving, over and over again. That's what faithfulness looks like. The same is true in your home: every time your preschooler shares a toy, helps with a chore, or says sorry and means it, that's a small act of faithfulness building the same trust God builds with you, one ordinary day at a time.

Each week, say the Bottom Line out loud together. You say it, then let them say it back. Read the verse from your Bible and do the activity together. Keep it short, light, and full of fun.

INCORPORATE INTO YOUR DAILY RHYTHM:

Week 1: Acts 1:8

Bottom Line: Following Jesus Calls Me To Share Him With Others

This week: Help with one job around the house together each day, and cheer when it's done. Sharing Jesus starts with showing up for the people closest to you.

Say this together: "God gave it to me, and I get to share it!"

Week 2: Acts 2:42

Bottom Line: Following Jesus Means Doing Life Together

This week: Share something with someone each day—like a snack, a toy, or a turn—and let them have the better part.

Say this together: "I get to do life with you!"

INCORPORATE INTO YOUR DAILY RHYTHM:

Week 3: Acts 4:31

Bottom Line: Following Jesus Helps Me Live Boldly

This week: Flex your muscles together each day and say, "Jesus helps me be brave!" Then try one brave thing together, like saying hello to someone new or tasting a new food.

Say this together: "I can be brave because Jesus is with me!"

Week 4: Acts 9:17-18

Bottom Line: Following Jesus Changes the Way I Live

This week: Look for one grumpy or hard moment each day, and help your child choose kindness instead.

Say this together: "Jesus changes the way I live!"

Week 5: Acts 20:35

Bottom Line: Following Jesus Means Staying Faithful

This week: Do the same small job together each day, like watering a plant or feeding a pet, even when it's not exciting. That's what staying faithful looks like.

Say this together: "I get to keep on giving!"
