

MAKING MOVES

Week 2

What's something you've done with a group that you would never do alone?

If you're brutally honest, do you think your friends influence you more in a positive way or a negative way? Why?

Read Acts 2:42–47

What did this group of people actually do together? What feels different about their community compared to what we normally see?

Why do you think doing something with a group can have a bigger impact than doing it alone?

Do you feel like this group is more: Just people you hang out with OR people you're actually "with and for"? Why?

The message gave 4 ideas: Show up, Stand out, Start something, Trust God. Which one do you think would make the biggest difference in your life right now? Why?

If your group actually lived this out, what could change:

- At your school?
- In your friendships?
- In you?
