Week 2

Who are your favorite people to follow on social media?

What does it mean when we follow someone?

What does it mean to be a “follower” of Jesus?

**Read Matthew 16:24-25**

What do we gain when we follow Jesus? What can we lose?

Do you consider yourself a follower of Jesus? Why or why not?

Have you ever experienced a gain or loss from following Jesus? What happened?

Challenge: This week, take some time to truly consider what it means to follow Jesus. Count the cost of a life following Jesus, and wrestle with the question of whether Jesus is someone you want to follow or not.
