Week 2

What's one sound you could listen to every day and not get tired of hearing it?

Be honest: Do you think you're a good listener? Why or why not?

How might listening help you get to know someone better?

Have you ever considered ways you can listen to God?

Read Psalm 1:2-3. How can reading the Bible help you hear and know God more?

What's one thing that might keep you from trying to read the Bible?

What's one thing that has worked well for you when it comes to reading the Bible?

This week: Who is one person (or a few people!) who can help you give listening to God in Scripture a try?
