

Week 2

Have you ever been jealous of someone else? Without naming names, tell us about it!

What's one thing that might cause someone to be jealous?

What other emotions or responses does jealousy tend to bring up?

What's an example of something that jealousy might steal from you?

Read 1 Samuel 18:5-9

Why do you think jealousy makes celebrating others more difficult?

How can celebrating other people be a really good thing for you? What about for them?

What's an example of something you can celebrate in yourself this week? What about in someone else?
