

## The Way I Saw It

Week 1 - December 2-4

What is your favorite Christmas movie/song?

When you think of Mary and the uncertainty that she faced how do you think she felt? Are you facing any uncertainty today?

### Read Luke 1:46-55

How do you tend to react when your life gets turned upside down? What can you keep in mind to have a response like Mary's?

How can we not let our circumstances affect our praise?

What might you learn about God by praising him in that uncertainty?

**Next Step:** Write down what you are uncertain about and three reasons why God may be allowing it in your life and thank God for those three things.
